Stanthorpe Junior Cricket Association

The Stanthorpe Junior Cricket Association would like to invite your school cricketers to join us on Saturday Feb 11th and/or 18th for some hard ball cricket experience.

Players need to be at CF White Oval McGlew St, Stanthorpe ready to play at 8.30 (QLD time). Usual finish time is 11am. (10.30 if it is very hot). Tenterfield players will be combined with Stanthorpe players to form teams so it doesn't matter how many choose to make the trip. This is on a "come and try" basis so a parent/carer will need to remain at the ground during the session.

POSITIVE BEHAVIOUR for LEARNING (PBL)

Welcome back! We hope you have all had a relaxing holiday.

This week the students participated in a lesson revising the school value of respect. Students were asked what it would look, sound and feel like to show respect in a number of settings around the school. They were able to provide many examples and are all working hard to achieve Henrys for showing respect this week.

As a reminder, ALL students will be starting their Henry tally from 0 this term. Students are now working towards collecting enough Henrys to achieve their bronze pennant. Just like last year, Henrys will be glued into special booklets that will sent home once they are full. Please keep an eye out for these booklets as it is our way of letting you know that your child is receiving a special award at the next assembly.

Have a wonderful first week back and try to collect as many Henrys as you can.

Kind Regards,

PBL Team
