LEARNING SAFETY RESPECT

Term 1 Week 5 February 2017

Welcome BBQ/Meet the Teacher Evening

What a fantastic turnout we had last Wednesday evening for our annual Meet the Teacher/Welcome BBQ. Thank you to those families who were able to attend on the night. If you have any questions or concerns about the year ahead please make an appointment to talk with your child's teacher. Our doors are always open. We also welcome parent volunteers in our classrooms. A completed *Working with Children Check* is required prior to starting. We are still finalising dates for our parent induction sessions for this year. Keep an eye out on our calendar.

Athletics Cancellation

Unfortunately due to lack of numbers we have had to cancel our athletics program this term. Our office staff are working to refund families the remainder of the term payments. Our apologies for any inconveniences.

Have a wonderful week!

Miss Anna Starcevic - Principal

Zone Swimming

Last Friday, 33 swimmers represented our school at the Zone Swimming Carnival in Glen Innes. All members of the team should be congratulated for their efforts in the pool, their sportsmanship and their behaviour during the day. Our school was awarded the Warwick Twigg trophy for highest point score for the fourth consecutive year.

Age champions from our school were:

Juniors - Oska (Champion), Jack (Runner Up), Elly (Champion)

11 Years - Rylan (Champion), Malik (Equal Runner Up)
Seniors - Fletcher (Champion), Bonnie (Champion), Amelia (Runner Up)

Students from our school also broke a staggering 18 records. These include Fletcher with 5, Bonnie with 5, Oska with 3, Jack with 2 and Elly with 2.

The Senior Boys relay team (Braith, Will, Tobi, Fletcher) also set a new record.

Thanks to Mrs Hillier and Mrs Zappa for their work all day as referees. Thanks also to the parents who volunteered to help with timekeeping and to all the parents who provided transport and encouragement for the team.

Mrs Tracy Caldwell

Early Action for Success

Guided Reading

Guided Reading is a strategy where the teacher works with a small group of students to provide individualised, explicit teaching that supports students in developing reading proficiency. The fluid, small group model allows children to be taught in a way that is more focused on their specific needs. Students with similar reading abilities or students who need to acquire similar skills to be successful readers are grouped together. Below are some photos of our students participating in Guided Reading lessons.

Coconut and lemon yoghurt loaf

Prep time
5 mins

Cook time
50 mins

Total time
55 mins

Author: kidgredients
Serves: 14 slices

Ingredients

- 2 eggs
- 2 cups self raising flour
- ½ cup shredded coconut
- 1 cup yoghurt (greek/natural)
- ½ cup sugar (choose what you like...I used raw)
- juice of one lemon
- zest of one lemon
- ¾ cup coconut oil (melted)

Rectangular Snip

Instructions

1. Preheat the oven to 160 degrees celsius.
2. Add the wet ingredients (lemon juice, yoghurt, eggs oil) to the dry ingredients and mix well.
3. Pour into a loaf tin (or a round cake tin).
4. Bake at 160 degrees for 50 minutes or until a skewer comes out clean.
5. Cool in the tin for 10 minutes.
6. Cool on a wire rack.

POSITIVE BEHAVIOUR for LEARNING (PBL)

Congratulations to all the students who received merit awards at our first school assembly for 2017. We have been very impressed with the effort and behaviour of all students at school this year. This week our PBL focus is safe zones within the school. Students participated in a lesson that provided all students with a clear understanding of where they can safely play. The specific skills learnt by students in this lesson included:

1. Awareness of safe playing areas.
Understanding that the reason why we have specific areas of play is to keep everyone safe and in sight of the teacher.

Students went for a walk around the school and were shown the safe areas they are allowed to play in. They were then given a copy of a school map and asked to show the areas that are safe and out of bounds. We look forward to seeing all students playing in the safe areas from now on.

Henry Says – “If you see another student in an unsafe area, please remind them to move to a safe area and tell the teacher immediately”.
