## THIS WEEK'S POSTIVE BEHAVIOUR FOR

### LEARNING LESSON (PBL)

### Term 4 Week 6

We focused on respect in PBL this week. The aim of this week's PBL lesson was to speak politely to our peers. We considered various things we can say and how we can act to ensure the wellbeing of everybody around us. We can use these skills at school and in the community.

Henry says always be safe, be a learner and be respectful.

DAYS OF

## **Kindergarten today!**

176 days of school already, this year has gone super quickly! There has been lots of things happening in our classroom and it is a very exciting time of year. The Gunis had the chance to look over their first writing samples for the year last week. It was a valuable time and rewarding to hear the conversations each Guni excitedly had with their peers about how far they have come in their own learning journeys.

### ***We write***

### ***We design***

Our literacy focus this term is Magic and Christmas. We read, discussed, wrote and drew all about the Magic Hats and a Magic Hat Shop. Check out our Magic Hat City collage we created together.

***Have a magical day and don't forget your hat! From the Gunis!***
