This will be drawn at the Week 2 assembly on Thursday May 9.

Voluntary school contributions for 2019 will be as follows:

LEARNING SAFETY RESPECT

Hello from 5/6 Warabas

Waraba means long neck turtle.

In our class this year we are following the lead of this turtle.

We are already off to a great start. We have been busy making our room look great as well as starting our units of work for Term 1. This term our units will see us studying factors that influence places, how plants adapt to different environments, improvisation in drama and how characters are created in texts.

We have also participated in a number of school and community events. We have been to the swimming sarnival, the Tenterfield Show, and we have helped make snack packs for the fire fighters.

We are going to be undertaking a number of STEM challenges this year. Our first challenge is to move a Smurf figurine 5 metres without touching it with our hands or feet.

We are using the design process to develop, test and refine our solutions.

We love visitors in our room as it gives us a chance to share our learning.

Please come in and say hello.
