LEARNING SAFETY RESPECT

Term 2 Week 2 2019

Welcome Back

A warm welcome back to our staff and students for Term 2. It was lovely to hear many stories from our students about their adventures in the holidays. I know that many of our staff spent many hours in the holidays preparing for their classrooms and their students for the term ahead.

Once again this term will be a busy one, filled with many wonderful learning opportunities, sporting events and extra curricular activities. Our annual athletics carnival will be held in Week 8 of this term, and our students are starting to practise their track and field events.

Yesterday the students in Years 3-6 participated in an introductory music session from the 'Beat of the Bush' program, which will be running in the July school holidays. This program will run from July 8-12 for students in Years 3-12, with learning opportunities provided for piano, vocal, jazz and choral and song writing. A flyer for this has been sent home today with your child. The cost for the primary program is \$95 for the week.

WINTER UNIFORM

Some parents have been asking when winter uniform should be worn—it is parent discretion with this uniform—as it is the same uniform as summer, but with some minor changes.

Our winter school uniforms are as follows:

Girls—Navy polo shirt, check skirt, navy tights/OR navy long socks OR navy long pants, black school shoes.

Friday Sport: School sport polo shirt, navy shorts, white socks, runners.

Winter sports tracksuit available from school.

Boys—Navy polo shirt, grey long pants, grey socks, black school shoes.

Friday Sport: School sport polo shirt, navy shorts, grey socks, runners.

Winter sports tracksuit available from school.

The checked skirt is the correct uniform for girls. **Canterbury shorts/tracksuit pants with large logos are unacceptable uniforms for boys or girls.**

NORTH WEST JUMPERS are NOT part of our school uniform either.

Have a great week.

THIS WEEKS POSTIVE BEHAVIOUR FOR LEARNING LESSON (PBL)

LEARNING SAFETY RESPECT

PBL Term 2 Week 2

Our focus for this week's PBL lesson was safety and respect. We considered the right place and time to sit and eat at recess. We discussed how we signal to go off to play and then created a 'Chatter Pix' video to demonstrate our understanding.

We remind ourselves and each other to always meet our three core values of learning, safety and respect every day. If we do the right things, we may get rewarded with Class Dojos.

Welcome back to Term 2 from Yurrandaalis

What a great 11 weeks we had last term. From Harmony Day, Easter to the Careers Day, it was a very busy but rewarding term. It has been wonderful to watch the students grow thus far as they build upon their skills and knowledge to become driven, future focused learners.

A highlight from the term would have to be the Careers Day at the High school.

First of all we went to visit the Ag farm. Darcy skillfully demonstrated how to feed the sheep. Those students with an interest in farming wore an eager expression. Next was the rock climbing and rotational display.

Students interacted with the police, fire brigade, vets, a local high school woodworks teacher and much more. The students were entertained for a good hour!

The next session after lunch saw the students crack a crime scene investigation. They had fun finding clues, posing as the victim and creating finger prints.

Students all had a fantastic time exploring future career options.

Term 2 promises to be another great term.

Students in both year 4 and year 5 did a great job discussing ways to solve problem in life.

Well-done to those students involved in creating a short skit demonstrating how bad times always have an ending.
