Term 2 Week 4 2019

### Sporting Achievements

We are so proud of our students who have been away representing our school in sport this term. Term 2 is always very busy with PSSA and knockouts, and we have received many many comments about the exceptional behaviour and sportsmanship of our students. Their new sports uniforms also look great! Well done kids!

### Incursion Monday May 27

Next Monday Brainstorm productions will be here to perform their show 'The Human Race'. This play is educational theatre that addresses bullying in schools and supports vulnerable children to build resilience and confidence.

'The Human Race' is an **anti bullying** and **resilience** program for primary schools that reinforces **positive relationships**, and provides resources to **help reduce the incidence of bullying** at school and online. It encourages **tolerance, kindness, respect** and **empathy**.

This show is \$5 per student and will be held in Bruxner Hall next Monday—May 27.

Notes and monies were due back yesterday.

### NAPLAN

Well done to our Year 3 and Year 5 students who completed NAPLAN Online last week. This week is

also a catch up week for any students who were absent on the testing days.

NAPLAN data is used to help monitor student progress over time against a national measure and to identify areas of strength and improvement. It is used in combination with other school assessments to guide and support student learning.

Thank you to Miss Rowe and Mrs Caldwell for co ordinating the assessments so smoothly.

### Principal Awards

Congratulations to Kyanne, Indi and Scarlett—who each received a Principal Award at last week's assembly for exceptional manners and citizenship. These three young ladies have consistently displayed these beautiful qualities consistently this term.

Principal's Awards are awarded to students who have been nominated by members of staff, other students or community members.

We are almost half way through Term 2! Thank you to our fabulous staff and students for always trying hard to achieve their very best each and every day. Have a fantastic week!

### LOST PROPERTY

We have had a large amount of unnamed lost property in the front office.

Clothing that is unnamed gets placed in our second hand supplies and unnamed Tupperware containers have been placed on the silver seats outside the Assistant Principal office.

Please take some time to look for your child's property.

### THIS WEEK'S POSTIVE BEHAVIOUR FOR LEARNING LESSON (PBL)

### LEARNING SAFETY RESPECT

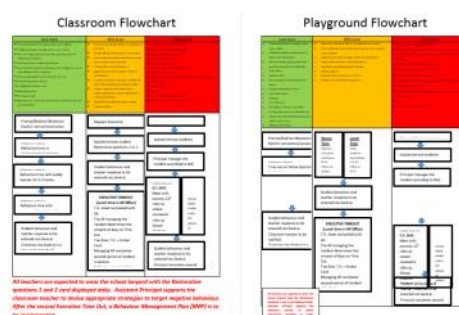

### PBL Term 2 Week 4

This week in our PBL lesson we focused on all our values- learning, safety and respect. We discussed and came to understand the classroom and playground flowcharts which are displayed in every classroom across our school.

We always try to do the right thing, but when things go wrong we can understand the levels and the appropriate consequences.

We remind ourselves and each other to always meet our three core values of learning, safety and respect every day.

If we do the right things, we may get rewarded with Class Dojo's.

## School Banking

Our school participates in the Commbank School Banking Program. It is an easy way for your children to learn valuable money skills. Throughout the year, if your child banks with School Banking, they will be encouraged to develop strong saving habits and be rewarded for demonstrating regular saving behaviour.

The front foyer has a display showing incentives for your child to bank with Commbank.

## NNE Netball Trials

Last Friday the netball team travelled to Glen Innes to take part in their first game in the state knockout. The girls started strongly and worked effectively as a team. The girls came out winners with the score being 13 to 5. Congratulations to all of the girls on a great game. The girls will now move to the next round and will take on Ben Venue at a date to be confirmed.

After the conclusion of the knockout game, the girls then participated in trials for the Northern New England netball team. Congratulations to Ashah, Lucy, Elly, Kyanne and Del on your selection in this team. These girls will now travel to Tamworth to take part in the North West netball trials on June 7.
