Winter Weather and Uniforms

Winter has arrived with a bang! The weather this week has been very cold and we were lucky to have some snow at Mt McKenzie today!

A large number of students are still coming to school without jumpers. It is important that your child/ren are warm each day, as we don't want kids getting sick.

The canteen has second hand jumpers for purchase.

Multicultural Speaking Competition

This Wednesday, June 5 we will be holding the school final of the Multicultural Speaking Competition. Students who have entered will present a prepared speech and an impromptu speech. Two students from Years 3 and 4 and two students from Years 5 and 6 will be selected to represent our school at the Regional Final in Inverell later in the month.

The finals will commence at 11.30 in Bruxner Hall. Family and friends are most welcome to come and watch the final.

Social

A Term 2 social will be held next Wednesday, June 12. K-2 students will have their social from 4 - 5pm

and Years 3 - 6 will have their social from 5.30 - 7pm. The theme is blue.

The cost is \$5 and this includes chips and a popper. All money raised from the social will go to the purchase and installation of playground equipment in the primary playground.

Red Shield Appeal

A reminder that this Friday is RED DAY. It is a fundraiser for the Salvation Army. Your children are invited to wear red to school on Friday. A gold coin donation is appreciated if your child attends in red.

Our sausage sizzle is happening also on Friday for those who have pre-ordered.

Orders are now closed for sausages.

Have a fabulous week ahead!

Miss Anna Starcevic

THIS WEEK'S POSTIVE BEHAVIOUR FOR LEARNING LESSON (PBL)

PBL Term 2 Week 6

LEARNING SAFETY RESPECT

This week in our PBL lesson we focused on safety
and respect in and around the school toilets.

We reinforced that all students need to behave
appropriately and respectfully when using the
toilets during playtime and class time. The lesson
reflected on privacy, hygiene and safety.

We remind ourselves and each other to always
meet our three core values of learning, safety
and respect every day.

Hello

From the Gunis

Our little hive has been alive this term with lots of skill development in all areas.

This term in mathematics we have explored 2D and 3D objects, time, fractions and length, along with solidifying and developing their whole number knowledge.

Check out the Gunis exploring number:

- ♦ Matching numerals to their numbers.
- ♦ Grouping and ordering big and small watermelon numbers. Look at that teamwork!
- ♦ Using ten frames to shake, rattle and drop combinations to 10. Some Gunis even have begun exploring number sentences to match their ten frame problems.

Happy learning to all from the Gunis!

Week 4 Brag Tags

The following students will be awarded their Brag Tags at the Week 4 assembly.
