LEARNING SAFETY RESPECT

Term 2 Week 7 2019

### Red Shield Appeal

We had a fantastic day raising funds for the Salvation Army last Friday. Most of our students came in red for the day. Thankyou to all of those families who donated towards the day.

Joel and Yolande Soper cooked the sausage sizzle for the students at lunch time. The school leaders assisted with serving.

Our school raised \$524.65 for the Salvation Army. Well done!

### Term 2 SRC Social

The Term 2 social will be held this Wednesday. K-2 students will have their social from 4.00 - 5.00pm

and Years 3 - 6 will have their social from 5.30 - 7.00pm.

The theme is **BLUE**.

The cost is \$5 and this includes chips and a popper. All money raised from the social will go towards the purchase and installation of playground equipment in the primary playground.

We hope to see lots of students having a great time on Wednesday night.

### Family Wellbeing

The NSW Department of Education website homepage has some great articles and advice to help families manage common health and wellbeing issues that arise during your child/ren's journey through school.

These articles can be found on the following link:

<https://education.nsw.gov.au/public-schools/practical-help-for-parents-and-carers/family-wellbeing?category=925278>

We try to share these on our FB page also.

Have a great week ahead!

Principal

## Multicultural Speaking Competition

The school final of the Multicultural Speaking Competition was held last Wednesday. Children participating had to present a prepared speech on a topic relating to multiculturalism. They then had to present an impromptu speech on an unknown topic with only five minutes to prepare.

The students did a fantastic job and they should all be very proud of how well they spoke in front of a large audience. Two students were chosen from Years 3 and 4 and two students from Years 5 and 6 to represent the school at the Regional Final at Ross Hill Public School on June 26.

Congratulations to Annie, Annie, Tiffany and Beth for being selected for the Regional Final.

Congratulations also to Kyiesha, Alira, Kody and Taneeka for participating.

Thank you to Mr Lusty for adjudicating - it was certainly a very difficult decision.

## PSSA Netball

Last Thursday TSHPMPS netball team travelled to Armidale to play Ben Venue Public School in the fourth round of the PSSA Netball Knockout. The teams were fairly evenly matched and there was some great defence from all of the girls. Our team started strong and had a 2 - nil lead at the end of the first quarter. The girls continued to play well as a team and had to overcome some fierce support for the home team.

Our team managed a number of great intercepts which helped them to take out the match 6 - 4. We now have to wait to find out when and where our next game will be played.

All of the girls need to be congratulated as this is the first time that a team from our school has made it through to the fifth round.

A special thank you to Mrs Hillier for umpiring today and for also giving up her time to coach the team.

We are very excited to be taking Kindergarten enrolments for 2020 already! If your child will be starting school next year we encourage you to bring them along to all of our Kindergarten transition days. Our transition program helps reduce anxiety over starting school and provides students with the opportunity to gradually experience what it will be like for them when attending school next year. All students will participate in a range of activities from all Key Learning Areas throughout the program and begin to form and strengthen relationships with their peers and staff.

We would like to invite parents and children to attend our first 2020 Kindergarten Transition session on Thursday, October 17 2019. In this session you will participate in a school tour and meet other families with children commencing school in 2020. Morning tea will be provided on this day.

### THIS WEEK'S POSTIVE BEHAVIOUR FOR LEARNING LESSON (PBL)

**LEARNING SAFETY RESPECT**

### PBL Term 2 Week 7

This week in PBL our lesson was RESPECT which falls under one of our school values. We discussed how and why it is important to show good sportsmanship in all games, sports and activities.

This is important because when people are playing or watching a sport we need to treat each other with respect. This includes players, coaches, officials and spectators.

**Henry says...**

When people are playing or watching a sport it is important to treat each other with respect. This includes players, coaches, officials and spectators.

People who show this kind of respect  
are...

**GOOD SPORTS**

**Show respect to  
everyone.**

# DHUYUS NEWSLETTER REPORT

Second term has been a very busy and exciting time for the Dhuyus. We started the term with lots of NAPLAN practise, which included building our skills in language conventions, reading, writing and numeracy.

This benefitted the Year 3 students who sat their Naplan tests and served as a refresher for the Year 4 students who will once again encounter NAPLAN next year.

In English lessons we have been learning about representation and reading the text 'Little Red'. This is a picture book where Little Red Riding Hood is more cunning than in previous versions. The class has loved comparing the traditional text to 'Little Red' and writing their own reports.

During mathematics lessons we have engaged in many hands on games and learning opportunities to consolidate our knowledge within the subject. The students are really looking forward to each maths lesson, which has been awesome to see.

Great job, Dhuyus!
