Welcome Back

Welcome back to all of our families for the 2020 school year. We have started our year wonderfully, with our students returning to school with great enthusiasm and positivity. A warm welcome to our new students this year—our 15 Kindergarten students, and our new families and students to our school community.

A warm welcome to Mrs Bek Morelli in joining our teaching staff. Bek is teaching the Melaleucas class this year (1/2) and we are very excited to have her join our team. Welcome Bek! We also welcome back Mrs Melanie Gallagher to our school on Tuesdays and Wednesdays. Mel is teaching all classes as part of our teacher release from face to face time each week. We are so very lucky to have Mel back for these two days each week.

Tomorrow we are holding our annual swimming carnival at the town pool. All notes and monies should have been returned by now. We are travelling to the pool together in our classes—so it is important that your child comes to school first to have their class roll marked correctly. It would be appreciated if our families worked with us on this request. Parents can meet us at the pool after we arrive as a school. We would love to have all students in attendance, regardless of swimming ability. It is about being brave enough to have a go on the day and supporting each other in each event. Students receive a point for their house just for having a go! It will no doubt be a fabulous day!

Our students in Years 3-6 will be walking down to the showgrounds and participating in an excursion on Friday. All notes must have been returned for your child/ren to attend this excursion.

2020 Student Data Forms and scripture notes are coming home today with this newsletter. We need these all completed and returned as quickly as possible—regardless of if there have been any changes.

Have a wonderful week ahead! Enjoy Tenterfield Show this weekend if you are going.

LEARNING SAFETY RESPECT

THIS WEEK'S POSTIVE BEHAVIOUR FOR LEARNING LESSON (PBL)

Term 1 Week 2

Welcome back to 2020!

The beginning of the school year has seen staff and students reviewing our three values of Learning, Safety and Respect.

Individual classrooms have been establishing routines and expectations that match our values. They have also started to accumulate their Class Dojo points. Such a great positive start to our year and learning!

PBL Lessons will commence next week, where we will continue having a weekly focus for our school.

After School Pick Up

A reminder to all parents that if you are picking up your child/ children from school, you need to get out of the car and collect them from inside the school grounds.

We ask that children do not walk themselves to parked cars as this means that they are walking between other parked cars. This is for the safety of all students.
