LEARNING SAFETY RESPECT

**Tuesday 18th February 2020** Principal Anna Starcevic

**Assistant Principals** Tracy Caldwell, Liz Duff (Relieving)

**Instructional Leader** Sue Rowe

The School Photographer will be here to take our school photos on Tuesday March 3rd (Week 6). All students are expected to wear full school uniform and be neat and tidy on school photo day. Envelopes with payment details will be coming home with your child this week. Envelopes containing payment/online receipt number are to be brought in to school on the photo day. Each child is to have their own envelope to hand to the photographer on the day (even if the money is in their siblings envelope.) Sibling envelopes are available from the front office for those families wishing to purchase sibling photos.

Congratulations to all students who competed at the NNE swimming carnival last Friday. We received fantastic feedback from adults in attendance, about our students being so positive, well mannered and displaying excellent sportsmanship. Best of luck to all students who are moving on the zone carnival.

Our 'Meet the Teacher' and PLP 'Meet and Greet' are both being held TOMORROW here at school. These are important sessions for all parents and carers to meet class teachers and find out what is happening in 2020 in our school. We hope to see lots of families here tomorrow afternoon for these sessions. Thank you to our P&C for running the BBQ once again this year.

Our teachers and SLSOs attended a professional learning day on Saturday. We began a four day schedule of learning about 'Additive Strategies'. (How our students use additive computational strategies for different purposes). Our focus will be how to make a big and lasting difference for our students, and catering better for the diverse range of learning needs in our classrooms. It is always so heartening to see the commitment and enthusiasm from our staff—even on weekends and out of school hours.

We require a parent representative to join our PBL group here at school. Being a PBL rep will involve attending fortnightly meetings and voicing parental opinions and thoughts at these meetings. If you are keen, please advise the front office. We are hoping to choose a rep in the next week or so.

Have a wonderful week ahead!

*Miss Anna Starcevic* Principal

LEARNING SAFETY RESPECT

## THIS WEEK'S POSTIVE BEHAVIOUR FOR LEARNING LESSON (PBL)

### Term 1 Week 4

This week students are reviewing our school value of Learning while linking learning to having a super power. Students have engaged in activities to remind them to be actively involved in their learning. These have all been displayed in the classrooms for visitors to see and as a reminder to the students.

Students are reminded to be consistently displaying our three values everyday.

The PBL Team are looking for a parent member who would be interested in joining the team. We value the input from parents and would appreciate your insight when developing lessons for PBL.

### Pick up areas

Afternoon pick up will now happen for **all families** at the small gate at the designated crossing area. No students are to be collected from the basketball court. This is an unsafe location due to no formal crossing area and the bus turning lane being very busy during this time.

Teachers will walk students out to the cement area near the flag poles. This is where you can collect your child/children from after the bell.

Parents will be required to exit their vehicle and enter the school grounds. No children will be allowed to take themselves out of the school ground or into the car park unless they have an adult with them.

**Meet the Teacher BBQ  
&  
Personalised Learning  
Pathways (PLP) Meet  
and Greet**

**Wednesday February 19, 2020**  
PLP Meet and Greet 3:30-4:30pm

### Banksias Newsletter Report

What a busy and fun start to the 2020 school year it has been for the 5-6 Banksias! We have an excellent class of engaged, happy and clever students. Our class is made up of 12 students from Year 5 and 15 students from Year 6.

Already this year we have had our annual school swimming carnival, an excursion to the Tenterfield Show, a school visit from an NRL player to talk to us about respect and some of our students have even travelled to Glen Innes for the Northern New England Swimming carnival.

I have been thoroughly impressed by the work ethic and dedication the Banksias have displayed so far this year and I cannot wait to see what the rest of 2020 brings.

Mr Mark Hurtz
