LEARNING SAFETY RESPECT

Tuesday 19th October 2021

Instructional Leaders Sue Rowe and Tracy Caldwell

Principal Anna Starcevic

Assistant Principal Liz Duff (Relieving)

Term 4 is flying by so very quickly. Please keep an eye on our calendar, which has all the dates set for end of year activities. Presentation Day, at this stage, will be virtual. This will all depend on whether or not we are still on Level 3 restrictions—which state no parents or visitors on site.

We continue to remain on Level 3 restrictions. From Monday 18th October 2021, all visitors, contractors and staff can use School Visitor Check-in to sign-in at their school. The new QR codes replace all existing COVID-safe QR codes and will be located at the front office area to ensure visitors and contractors who attend the school during school hours report to the front office reception area. Parents and carers will not be required to check-in for drop off or pick up.

Current cleaning regimes will continue on school sites. Target areas include high-touch areas and other hard surfaces, door handles, lockers, light switches and handrails in stairways and movement areas. Enhanced cleaning is delivered as part of the daily cleaning of schools. Well ventilated spaces reduce the risk of transmission of COVID-19. Our staff ensure each day that their classrooms are well ventilated.

Thank you to our fantastic teaching, non teaching and office staff—who have all settled back into our routines each day, albeit with the restrictions that continue to remain in place. Our students are so very lucky to have continuity with their learning, compared to the staggered returns in Sydney and surrounds. If you would like to meet with your child's class teacher to discuss progress, or if you have any concerns, please contact the front office to book in a meeting time.

We are finalising our classes for 2022 at the moment. We would love to have all of our Kinder 2022 enrolments processed and ready to begin for Day 1, 2022. If you have not enrolled your child or have any questions, please call. We are here and ready to answer any questions.

Have a wonderful week!

Miss Anna Starcevic Principal

Tangerines Newsletter Report

The 3-4 Tangerines have had an amazing start to the final term of 2021. It has been wonderful to see the class so happy to be back at school and trying their best in all areas of their learning.

The class have been particularly energetic about our science and geography units so far. In science the class have been investigating the material properties of objects and have learnt to classify them as solids, liquids, gases, natural and manmade. In geography the class have been enthusiastic in their research of alpine national parks in Australia, including Kosciusko National Park, the home of Australia's tallest mountain.

I look forward to an exciting and hard-working final 9 weeks of the school year

From the Assistant Principal's Desk...

Kindergarten Orientation

We have completed two sessions with 2022 Kindergarten students and already they are getting into full swing of school life. The session this week will follow a similar format to the previous two. Families are asked to send their children with a bag, piece of fruit and a water bottle. In weeks to come, they will explore other areas of school life, including a canteen visit.

Vocabulary

WORDS! WORDS! WORDS!

Everyday, in our classes we are exposing children to rich language. This term, all of K-2 have linked their literacy units to their science topics that are related to Earth and Space. Support your children and have conversations and talk about the technical language that accompanies these topics. The more that the children are listening to and using the vocabulary, the more they will comprehend when they read about it. Years 1 and 2 are very focused on space, while Kindergarten are more focused on weather.

For some fun, have a go at solving some of these word/phrase challenges. See how many you can get without needing to check the answers.

WACKY WORDS

1 Get it Get it Get it Get it	2 Jack	3 Somewhere 	4 DOOR
5 READ	6 Blood Water	7 Beeeee	8 CANCELLED
9 once 	10 Egg Egg HAM	11 Try Stand 2	12 TOWN
13 N l ump GHT	14 Aid ← Aid Aid	15 Mill 1 on	16  3.14
17 ice ³	18 R O C N  C I K	19 Think 	20 GROUND feet feet feet feet feet feet
21 1 KNOWS	22 Big Big ignore ignore	23 RAKEN	24 KNEE light light

Math Challenge

Yes the Olympics is over, but the Winter Olympics will be soon upon us. Here is a little math challenge to get you thinking as well as remind you that the Winter Olympics will be here in no time.

Can You Find the Missing Number?

Canteen Information

Fresh for Kids Campaign

Every time your child makes a healthy choice from the Canteen, such as fruit or vegies, they are given an entry form and a stamp. Once they have collected 2 stamps their entry form is to be returned to the canteen and they will receive a minor prize of a straw and a stamp texta.

When the campaign ends I will send off all the entries to go in the draw for some terrific major prizes including a Nintendo Switch.

VOLUNTEERS NEEDED

I am needing some volunteers in the canteen on Fridays.

Fridays are one of our busiest days and I struggle to do them on my own.

These dates are vacant if you are able to help at all please call the office on 67 361 401 and leave your name and number and I will give you a call back.

TERM 4 October 22nd, November 5th, December 3rd, December 17th.

Thank you, Jen Sutcliffe Canteen Manager

Attendance Matters!

Every Student, Every School, Every Day

NEXT ASSEMBLY NEXT P&C MEETING

DATE: Friday October 22

Class Item: Pumpkins

DATE: To be advised

TIME: 5:30pm School Staff Room
