Term 3 is finishing up very quickly. Our final day for the term is next Friday—September 22. Our school grounds are closed over the school holidays. Our oval continues to remain closed to everyone, to ensure the new turf seeds are continuing to grow. Over the holidays we will once again be having works happening. This will include more concrete pads being laid for more water tanks to be installed. We are trying our best to capture as much water as possible from all buildings in our school, for our new oval upkeep. Please remind your children that the school is private property and no one is to be on site riding bikes around or using the basketball courts. Unfortunately we have had a small amount of damage to two new basketball rings newly installed, which was disappointing.

I have been really enjoying meeting our new Kindergarten students for 2024, at our enrolment meetings. It is always so lovely to see our incoming kinders looking so excited to come to 'big school', and showing me what they can already do. Please call the front office to book in your meeting time. These meetings are vital, to ensure we can provide the very best start to school and put any required measures in place to support any specific individual needs. Our Kindergarten orientation program begins in Week 1 next term. (October 11). Please keep the KO calendar handy to ensure no dates are missed.

The school canteen has been running beautifully on Wednesdays and Fridays over the last few terms. Our canteen manager, Amy Wilkin has been a fabulous addition to our school and the staff and students are loving the amazing food on offer. A reminder to our families that food sold at recess will only be orders, no over the counter sales. Please ensure your child orders before school. The canteen is still looking for volunteers. Call the front office or use this link to sign up: <https://signup.com/go/KHhkeDW>

Have a fantastic week!
