LEARNING SAFETY RESPECT

Term 4 Week 3 2018

### FANTASTIC FETE FUN!

On Saturday we were blessed with beautiful sunny skies and warm weather for the return of our fete.

Our families came along and supported the event, with extended families and community and lots of fun was had by all. Our school and its awesome team was certainly on show!

These days only succeed because of the combined efforts of staff, families and community.

Our teachers and SAS staff gave up their weekend time to be here on Saturday, also spending a lot of time prior to Saturday in preparation.

We were supported heavily by community businesses and individuals also, to which we say a sincere thankyou.

Kim Rhodes, our Community Liaison Officer, spent many hours working meticulously on the day and its organisation. THANKYOU to Kim for her tireless efforts and determination to make the day so successful.

Our colour run, led by Miss Ryan, was an absolute ball of fun, and I am sure the staff enjoyed dousing the kids and other competitors with chalk powder as they ran by. I certainly did!

We are looking forward to continuing to hold our

fete biannually, as it is a huge effort and organisation.

Your feedback is always important. We would appreciate any ideas and suggestions for the future fete in 2020.

### THANKYOU to TSHPMPS 2018 Fete Supporters:

- Country Women's Association
- Lions Club
- Rotary Club
- Tenterfield Rural Fire Brigade

- ◆ Harrison & Jasmine Finnerty
- ◆ Ibbett Family
- ◆ Jason McDonald & Family
- ◆ Mole Station Nursery
- ◆ Tenterfield Shell

### Student Health

Last week on Facebook we posted that we have had one confirmed case of hand, foot and mouth disease. There is no cause for alarm and the student is well and truly almost back to 100%.

Attached to today's newsletter is an information sheet about the disease, which is a common viral infection—which can be easily passed from person to person.

### 2019 Enrolments

A reminder to all families that we are currently conducting enrolment interviews for 2019 Kindergarten students. Please make a time with the front office if you haven't already.

If your family is moving away from Tenterfield and will not be here for the 2019 school year, please advise the front office or myself as soon as possible.

Have a fantastic week ahead!

*Miss Anna Starcevic*

Principal

### THIS WEEKS POSTIVE BEHAVIOUR FOR LEARNING LESSON (PBL)

### LEARNING SAFETY RESPECT

#### PBL Term 4 Week 3

For week 3, students were looking at the importance of respecting our toilets around the school. The lesson clearly explained what is expected and not expected when using the toilets. Our school values of Safety and Respect is linked directly with appropriate toileting. Students should always be safe when using a toilet or in the bathrooms. It is within our best interest that students are safe at all times and understand the importance of toileting correctly. Students were able to communicate positive and negative examples on how to best support themselves and their peers in being safe and respectful members of our school community.

Congratulations to all students who received awards, brag tags and personal bests at our most recent assembly. Keep striving for excellence!

Regards

PBL Team

# Resilience

In the Dingos this term we are focusing on building up our resilience.  
We have discussed that some days we may not be feeling 100% and that is ok!  
We have been looking out for each other and trying our best to up lift each other when we know our friends are feeling down.

We are strong together!

Life is not about how fast you run, or how high you climb,  
It is about how well you bounce.

*you don't need  
a cape to be a  
hero. you just  
need to care.*
